Once you select
your Featured
Image of the post,
Add your name as
the AUTHOR, if it is
not already selected.

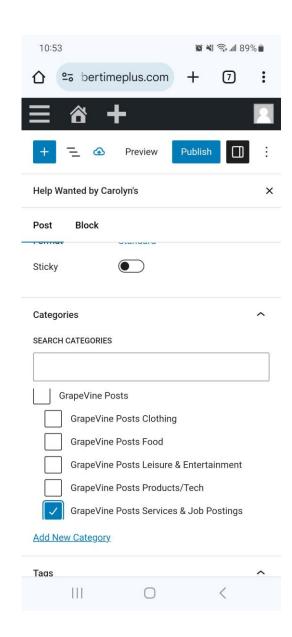

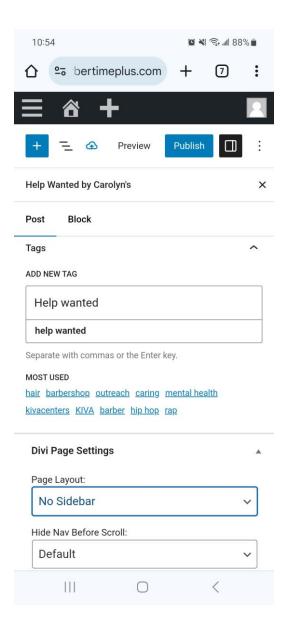

Next you will need to assign the exact categories your content should appear under.

Assigning your Categories:

- If it's a GrapeVine post, check off <u>GrapeVine Member</u> and <u>your GrapeVine - NAME</u> (>>ONLY)
- If it's a HAIR post, check off <u>Barber</u>
 <u>Cuts</u> or <u>Hair Styles</u> and <u>your Barber</u>
 <u>Cuts / Hair Styles -</u>
 <u>NAME</u> (>>ONLY)
- OTHER relative/eligible categories to check off if your post falls under the following categories.
 - Outreach
 - Industry related
 - News & entertainment
 - Events
 - GrapeVine Posts: All subcategories are eligible, ONLY for the relative GrapeVine post.

You can assign any related tags, but they must be politically correct and no profanity.

Where it says Choose LAYOUT, select (No sidebar for best results)

Where it says POST TITLE, select SHOW (Note: Your featured image will appear on your post. Do not repost the same image!)

CLICK PUBLISH

- · Visibility: Public
- Publish: Immediately
- Suggestions: As necessary

CLICK Publish AGAIN: Your post is now available in on assigned sliders and page sections.
